ASPIRE TO MAKE A DIFFERENCE

CEO - AKUA OSEI-AMOAKO

Here's what has happened in the last month and what's to come!

Welcome to our monthly newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our clients and families who have continued to support us. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we have successfully launched a new initiative to provide internships to college students. We have gotten the chance to present this program at Community College of Philadelphia and start receiving interested interns. They will be joining our team soon and learning all about IDD care!

We are also excited to announce that we will be sending out information regarding upcoming projects. These projects will be a fun and interactive way to support our cause while also staying up to date with IDD education so that we can all provide the best level of care to those around us.

Finally, we want to remind everyone that our business relies on your business. If you are in need of our services, or know someone who is, please do not hesitate to reach out to us.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

IDD Spotlight

This month we celebrate National Disability Employment Awareness Month.

It's necessary to recognize that our loved ones are independent, and can work alongside us. While they may require assistance/accommodations, they are FAR from helpless.

Let's take a moment to acknowledge that advocacy for equal and equitable employment is a necessity

When our loved ones are working, they experience integration within the community and get to work on becoming more independent!
