ASPIRE TO MAKE A DIFFERENCE

CEO - AKUA OSEI-AMOAKO

## Here's what has happened in the last month and what's to come!

Welcome to our monthly newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our clients and families who have continued to support us. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we have successfully launched a new initiative to provide internships to college students. This program aims to improve access to quality education and promote a love for learning among young students.

We are also excited to announce that we will be sending out a calendar for the upcoming year. This calendar is a fun and interactive way to support our cause while also staying up to date with IDD holidays, client/staff birthdays and other events!

Finally, we want to remind everyone that our business relies on your business. If you are in need of our services, or know someone who is, please do not hesitate to reach out to us.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

## IDD Spotlight

This month we celebrate international day of sign languages,

It's wonderful to recognize the ways we communicate nonverbally. To give a voice to those who may not communicate with words is amazing.

Let's take a moment to appreciate sign language and encourage others to learn, even if it's simple phrases.

When our loved ones aren't communicating, they aren't getting their needs met, so let's work to change that!
