## Here's what has happened in the last month and what's to come!

Welcome to our charity newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to our community members who have continued to support us. Thank you for trusting us with your loved ones!

In terms of our recent activities, we have our new staff members working hard to learn about your loved ones and ensure we are getting them involved in the community as much as possible, with their interests in mind. Be on the lookout for upcoming local events.

We are also excited to announce that we will be participating in Community College of Philadelphia's upcoming career fair! We will be looking for college interns who are focused on human services + related majors.

Finally, we want to remind everyone that our charity relies on the kindness and support of our community. If you are in need of our services, or know someone who is, please do not hesitate to reach out to us.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

## February Spotlight

This month we celebrate Black History Month and American Heart Association Month.

It's important to recognize the intersectionality between minorities. IDD does not pick and choose the communities it impacts.

Let's take a moment to appreciate the steps we take to ensure equality and equity for everybody, while also reflecting and thinking about the road paved ahead of us by monumental figures.

## Event News

Join us for Meals with Meaning. Let's support artists with intellectual disabilities and autism together. Tour the latest art exhibition and enjoy onsite food from local vendors. Here are the details:

- Date: Every 2<sup>nd</sup> + 4<sup>th</sup> Friday (Monthly)
- Time: 11am-2pm
- Location: 1149 East Oregon Rd., Lititz PA 17543
- All are welcome to participate and volunteer.
- Let's make a positive impact in our community and help those in need.
