CEO - AKUA OSEI-AMOAKO

Here's what has happened in the last month and what's to come!

Welcome to our charity newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our community who have continued to support us during this past year. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we have brought on new staff and streamlined our orientation process to ensure your loved ones are getting the highest quality of care.

We are also excited to announce that we are working on in person events. These events are a fun and interactive way to support our cause while also enjoying great company. We hope to see you there!

Finally, we want to remind everyone that our charity relies on the kindness and support of our community. If you are in need of our services, or know someone who is, please do not hesitate to reach out to us.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

Enjoy this month's newsletter, and happy holidays!

Community News

Welcome to our charity newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community. Firstly, we would like to express our gratitude to all of our donors and volunteers who have continued to support us during these challenging times. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

We are also excited to announce that we will be hosting our annual charity auction next month. This event is a fun and interactive way to support our cause while also enjoying great food, drinks, and entertainment. We hope to see you there!

IDD Spotlight

This month is Birth Defects Awareness Month.

It's important to remind ourselves that people born with birth defects are NOT DEFECTIVE. Every 4.5 minutes a baby is born with a birth defect in the US, and this is why companies like Aspire exist. Those babies grow up, and may require additional levels of care and accommodations.

Let's take a moment to appreciate their efforts and encourage others to contribute where we can!

Event News

Join us for Meals with Meaning. Let's support artists with intellectual disabilities and autism together. Tour the latest art exhibition and enjoy onsite food from local vendors. Here are the details:
